

Retail Store Knowledge Base Document

This document is designed for a Retail RAG (Retrieval-Augmented Generation) AI assistant. It contains store policies, SOPs, FAQs, pricing rules, inventory procedures, customer support information, and operational guidelines that can be used by AI systems to answer business-related questions.

1. Return & Refund Policy

- Customers can return products within 7 days of purchase.
 - Electronics can only be returned if defective or damaged.
 - Products without invoice or receipt are not eligible for return.
 - Refunds are processed within 5 business days.
 - Opened software and digital products are non-refundable.
 - Clothing items can be exchanged within 10 days.
 - Refunds are issued to the original payment method.
-

2. Inventory Management SOP

- Inventory levels are updated every 2 hours.
 - Products below 10 units are marked as LOW STOCK.
 - Warehouse managers receive automatic low-stock alerts.
 - Damaged inventory must be reported within 24 hours.
 - Inventory audits are conducted every Sunday.
 - Barcode scanning is mandatory during stock entry.
 - Stock discrepancies must be escalated to the operations manager.
-

3. Product Catalog Guidelines

- Electronics include laptops, headphones, mobile phones, and accessories.
 - Premium products include extended warranty coverage.
 - Fragile items require special packaging.
 - Products must include SKU, category, and supplier details.
 - All products must be quality-checked before display.
 - Discount eligibility depends on product category.
-

4. Customer FAQ

- Customers can track orders using the order tracking portal.
 - Home delivery is available within city limits.
 - Cash, card, UPI, and wallet payments are accepted.
 - Warranty support is available for eligible products.
 - Delivery timelines are 2–5 business days.
 - Customer support is available from 9 AM to 8 PM.
-

5. Pricing & Discount Rules

- Maximum employee discount allowed is 15%.
 - Festival discounts can reach up to 40%.
 - Bulk purchases above \$50,000 qualify for additional discounts.
 - Discount stacking is not permitted unless approved.
 - Clearance items are final sale products.
 - Dynamic pricing may apply during peak demand periods.
-

6. Shipping & Delivery Policy

- Orders are processed within 24 hours.
 - Express delivery is available in selected locations.
 - Customers receive SMS and email notifications after dispatch.
 - Damaged deliveries must be reported within 48 hours.
 - International shipping is currently unavailable.
 - Delivery charges depend on order value and location.
-

7. Employee Operational Guidelines

- Employees must wear ID cards during working hours.
 - Daily sales reports must be submitted before store closing.
 - Cash counters must be reconciled at the end of each shift.
 - Unauthorized discounts are prohibited.
 - Customer complaints must be resolved within 48 hours.
 - Store hygiene and safety checks are mandatory.
-

8. Store Safety SOP

- Emergency exits must remain accessible at all times.
 - Fire extinguishers should be inspected monthly.
 - Wet floor signs must be placed during cleaning.
 - Electrical issues should be reported immediately.
 - Only authorized personnel can access warehouse restricted zones.
-

This knowledge base document can be indexed into vector databases such as FAISS, ChromaDB, Pinecone, or Azure AI Search for building an intelligent Retail RAG chatbot. The chatbot can answer operational, customer support, inventory, pricing, and policy-related questions using these documents.
